Lucy Sparkles & Friends Melbourne runs magical music, dance, and drama classes, plus unforgettable birthday parties. Led by talented performers and musicians, their playful sessions follow fun, educational principles like Kodály and Dalcroze to spark creativity, confidence, and smiles in babies, toddlers, and young children.

At Mandarin Bee, we nurture age-appropriate Mandarin comfort, confidence, comprehension and conversation skills through play-based learning. Designed for Mandarin as a practical language, our structured and building-block approach ensure steady and effective progress. Our children age 0 to 12 develop a love of learning from a young age.

Pei A Photography captures natural, heartfelt moments for couples, maternity, newborns, and families across Melbourne. With a warm, connection-focused style, each image tells a timeless story of love and togetherness. Follow @peia.photography on Instagram for soulful imagery, gentle storytelling, and inspiration for your next meaningful photo session.

CX Creative Studio crafts fun, thoughtful mini kits for kids! Whether it's a birthday or a big event, each kit is lovingly made by a mum of two. We keep things affordable and aim to create inclusive goodies every child can enjoy—taking the stress out of party planning for busy parents!

At BrookieKids, we create experiences and products that transform everyday moments into playful, meaningful learning opportunities. Our goal is to help your child speak Mandarin with confidence – and enjoy the journey without even realizing they're learning! Explore our interactive books and our library of voice-interactive stories on the app to get started today.

Cheeky Junior curates eco-friendly, wooden toys that bring joy and teach sustainability. We choose safe, durable, beautifully crafted pieces to create lasting memories and heirlooms. Our mission is to delight children while fostering care for the planet, offering timeless toys to cherish for generations.

baa baa sheepz®
